APPLICATION FOR ACCESS

For internal use only	
Proposal number.....	Date received.....
Referee.....	

For a correct proposal submission this form must be returned typed and signed to the above address

Date:.....

1.1. Name of scientist in charge of the project.....

Nationality.....

Institution.....

Position held:

Full postal address:

.....

Tel.: Fax: E. Mail

1.2. Title of project (and keywords):

.....

.....

- ☐ new proposal
- ☐ continuation of an earlier proposal

1.3 In cases where previous support has been provided, please attach a list of abstracts and publications (including submitted papers) that have resulted from previous visits to the Bayerisches Geoinstitut.

2. **Brief description of the project** (1-2 pages maximum) including scientific background, rationale, detailed description of methods, time schedule

3. Organisation of the work at the facility

3.1 Estimate of number of experiment days required (please discuss with institute staff if necessary):

.....

Preferred dates:.....

3.2 Names, nationalities and institutes of all researchers, who wish to visit Bayerisches Geoinstitut:

Principal Investigator:

Name:	
Nationality:	
Position:	
Institute: Address:	
E-mail address	
Previously visited Bayerisches Geoinstitut?	

Additional investigators involved in the project:

Name:	
Nationality:	
Position:	
Institute: Address:	
E-mail address	
Previously visited Bayerisches Geoinstitut?	

Name:	
Nationality:	
Position:	
Institute: Address:	
E-mail address	
Previously visited Bayerisches Geoinstitut?	

3.3 Name(s) of collaborating scientist(s) at the Bayerisches Geoinstitut, if applicable:

.....

3.4 Major equipment required, including analytical and spectroscopic facilities (please indicate approximate number of experiments in each case):

.....

.....

.....

3.5 Special requirements:

a) consumables

b) infrastructure

c) special equipment

3.6 If there is any reason, why this proposal is very urgent and should be approved between normal deadlines, please indicate here:

.....
.....
.....

4. Declarations and signature:

- ☐ We have DFG funds available and will pay for the costs of the experiments
- ☐ We do not have DFG funding for the project described and request free use of the facility

We understand that the facility does not provide salaries. Visiting scientists must make their own arrangements for insurance; they will be required to comply with the safety regulations of the laboratories of the Bayerisches Geoinstitut.
